Dear Hiring Manager,

I am writing to express my interest in the Student Center Operations positions at Curry Student center, as advertised on entrance of game room. With a good background in tackling the customers, I am confident in my ability to contribute effectively to your team and help drive success in the center.

As an enthusiastic gamer, I ensure that equipment is functioning properly, maintaining a clean and safe environment, or tracking usage. Whether it's troubleshooting a game or assisting with a technical issue in the space, I am quick to assess situations and find solutions. Moreover, in previous roles, I developed valuable communication and interpersonal skills that enable me to connect well with diverse groups of people. I am committed to providing a friendly, positive experience for all campus visitors, ensuring they feel welcome and comfortable.

Additionally, my organizational skills and attention to detail allow me to manage tasks efficiently, from maintaining a clean and organized space to managing inventory and tracking room usage. I am also highly adaptable, comfortable with shifting responsibilities, and always willing to support my colleagues in team-oriented settings.

I am enthusiastic about the opportunity to bring my skills and commitment to Northeastern's campus community. Thank you for considering my application. I look forward to the possibility of contributing to the enjoyable experiences students and visitors have at Northeastern University's game room and campus crossroads. I am available at your convenience for an interview and can reach out to me at 617-609-9554 or ghantasala.s@northeastern.edu.

Sincerely,

Srinivasa Rithik Ghantasala
